Some of the core skills include Python, Java, C, Android, DBMS, CSS. An engaging team player who also acts as a motivator.

PROJECTS

Language Learning Application

Led a team of four, to the development of an Indian language learning application. This innovative app was designed to facilitate the acquisition of various Indian languages, catering to individuals seeking to learn languages such as Hindi, Tamil, Malayalam, Telugu and more. The app incorporates a variety of interactive features, including alphabet lessons, flashcards, quizzes, games, and immersive learning experiences, all aimed at making language learning enjoyable and effective.

Features

- User Registration and Profile
- Vocabulary Building
- Grammar Instruction
- Listening and Speaking Activities
- Pronunciation Practice and Feedback
- Progress Tracking and Analytics
- Notifications and Reminders
- Video Classes
